To

THE SECRETARY TO THE GOVERNMENT OF INDIA

Home Department.

The undersigned has the honor to acknowledge the receipt of letter No. 407 dated 14th Instant forwarding copies of his "Inspection Report on the Andaman Settlement." He regrets to see the typographical and clerical, errors are very numerous, and desires to explain that on his return from Port Blair he found his own office work greatly in arrears, the Chief Commissioner had but recently arrived, the Assistant Secretary was new to the work, the Superintendent had been just appointed, and the two senior clerks had accompained him to Port Blair; and he was himself ignorant of the work done in the previous year during his absence in England, all the administration reports were coming in, and he found it impossible to superintend the copying of the voluminous Port Blair papers which was done by hired section writers. He now begs to enclose a list of corrections which require to be made in the first volume. Time does not permit of more being done before the steamer leaves. He will be much obliged if the corrections now noted in volume 1 are made before it is issued from the Home Office.

and he had no means of correcting the proofs as the papers were printed in Calcutta

INSPECTION REPORT

OF THE

PENAL SETTLEMENT OF PORT BLAIR.

1867.

LETTERS FORWARDING REPORT, &c.

No 874, dated 24th June, 1867.

From—COLONEL A. FYTCHE, *Chief Commissioner of British Burmah, and Agent to H. E. the Viceroy and Governor General,*

To—*The Secretary to the Government of India, Simla.*

I have the honor to enclose a bill of lading for one box containing the Inspection Report on the Penal Settlement of Port Blair, by my Secretary, Major H. Nelson Davies, together with my Minute thereon, and other documents enumerated in the margin.

1.—Report.*
2.—Appendix.*
3.—Minute.*
4.—Correspondence.†
5.—Enclosures.—Statements A. to P.‡
6.—Sketches by Superintendent, Chief Commr.'s Office, Mr. Hanley.*
7.—Map of Port Blair.*

2. The first three mentioned packets, it is desirable, should be printed as soon as possible, and 25 or 30 copies furnished to this Office. If the Map, which accompanies the Report, could be lithographed, it would be very useful for ready reference.

3. The volume of correspondence contains much matter which will be useful to any Officer who may be hereafter deputed to Port Blair on a similar duty to that from which Major Davies has just returned.

4. In my Minute, which accompanies Major Davies' Report, I have commended the manner in which that Officer has performed the troublesome, difficult, and delicate duty he was entrusted to perform, and I have stated I consider both Major Davies' and Dr. Kelly's services are deserving of acknowledgment. The task was no ordinary one; for, independent of the mental exertion necessary to carry it out, the travelling about under a tropical sun, in the hurried manner they were obliged to do, was a matter of great personal inconvenience; and I should be glad if Government thought proper to award one month's pay as a honorarium to these two Officers and to the clerks who accompanied them. It might be thought also proper to extend this mark of approval to Surgeon Cowie, who has special claims for consideration on account of the personal loss he has sustained by his supersession.

No. 1043, dated 6th July, 1867.

From—MAJOR H. NELSON DAVIES, *Secy. to the Chief Commr., British Burmah,*
To—*The Secretary to Government of India,* HOME DEPARTMENT.

I have the honor, by direction of the Chief Commissioner, to forward, in original, in continuation of this Office letter No. 874, dated 24th June 1867, certain letters which have reference to my inspection of Port Blair.

I am to request you will submit them to Government as further enclosures to my Report as follows :—

Letter No. 206 of 27th June, from Lieutenant Colonel Ford (on the subject of clothing), will form enclosure letter Q.* The Chief Commissioner has no remarks to make on this letter; he considers the recommendations of the Committee as regards clothing should be adhered to. A waist cloth might be given in cases when the Medical Officer recommends one, or those convicts who require such an addition might supply themselves.

Letter No. 204, dated 27th June, from Lieutenant Colonel Ford, on the subject of water-supply on Ross Island, is marked R.*

In paragraph 3 of his letter, Colonel Ford states he is at a loss to know how the Committee came to the conclusion that, but for an unexpected fall of rain in the middle of April, the Island would have suffered severely from the want of water. I beg to annex copies of correspondence noted in the margin, and I beg to state distinctly that not only did I see several wells actually dry and several all but so (even after rain had fallen in April), but in conversation with the prisoners, many complained of the scarcity of water, and it was with the greatest difficulty Dr. Kelly and myself could get a few clothes washed, because the dhobies declared they could not get fresh water. In several cases I have observed in Colonel Ford's correspondence either that he does not observe facts, or he has a difficulty in explaining them clearly; there is no doubt but what the prisoners felt a scarcity of water on Ross Island during the past hot season.

From Major H. Nelson Davies, to Dr. Cowie, No. 345, dated 23rd April 1867.
From Major H. Nelson Davies, to Apothecary Norman, No. 386, dated 26th April 1867.
From Apothecary Norman, No. 831, dated 27th April 1867, and enclosures.

No. 210 of 25th June, from Lieutenant Colonel Ford, is marked S.* It is an answer to my letter No. 479, dated 4th May 1867, on the subject of Forests (which will be found in the correspondence file forwarded with this Office letter No. 874, dated 24th June 1867), and called for information required in Resolution of Government No. 112 F,*(a)* dated 13th March 1867. The Chief Commissioner has no further observations to make on the subject, except that the construction of the telegraph referred to in the concluding paragraph of Colonel Ford's letter, may be left for the consideration of the next generation.

(a) Public Works Department.

Packet marked T* is a bill which will give some idea of the items which tend to swell the expenditure of Port Blair.

---

* *Vide* Vol. III.

Packet marked U* is a return of self-supporters, showing various particulars

Packet marked V* is a return of particulars regarding the stock farm at Aberdeen, submitted with Lieutenant Colonel Ford's No. 206 A, dated 27th June 1867. The Chief Commissioner considers that the results shown in the return are not as satisfactory as they should have been.

W* is an application for more copper tokens. The Chief Commissioner presumes this matter will be decided by the Governor General in Council, with reference to the recent Inspection Report, in which this subject was fully discussed.

No. 1097, dated 11th July, 1867.

From—MAJOR H. NELSON DAVIES, *Secy. to the Chief Commr., British Burmah,*
To—*The Secretary to Government of India,* HOME DEPARTMENT.

I have the honor, by direction of the Chief Commissioner, to forward, in continuation of my letters Nos. $\frac{874}{1043}$, dated $\frac{24\text{th June}}{6\text{th July}}$ 1867, an original letter, No. 213 of 3rd instant, from the Superintendent of Port Blair. This letter is in answer to one from myself, No. 484 of 4th May, copy of which will be found in the correspondence file which accompanied my Report. The object of that letter was to arrive at some clear idea of what the supplies are which run up the Budget Estimate to such an enormous amount, and to do this, it was necessary to insist on the Superintendent preparing a detailed Budget. This accompanies Colonel Ford's letter now forwarded. It was also advisable that the issue of the stores should be controlled (which has never yet been done), and for this purpose indents in triplicate were ordered; the form was so framed as to afford the Chief Commissioner's Office some check on the Treasury and the Commissariat Office, and on the Superintendent himself. The Chief Commissioner requests this packet may stand as letter X* of the enclosures which accompanied my Report.

2. I am also directed to forward, in original, letter No. 271 from the Executive Commissariat Officer, Port Blair, which exhibits the results of certain weighments ordered by me when at Port Blair, with the view of ascertaining the actual wastage under proper care; this packet will stand as letter Y* of the enclosures to my Report.

No. 2031, dated 11th July, 1867.

From—MAJOR H. NELSON DAVIES, *Secy. to the Chief Commr., British Burmah,*
To—*The Secretary to Government of India,* HOME DEPARTMENT.

I have the honor, by direction of the Chief Commissioner, in continuation of my letters as per margin, to enclose, in original, letter from Lieutenant Colonel Ford, No. 211, dated 27th June. This letter is in reply to my No. 585 of 15th of May last, and forwards a Statement showing the miscellaneous local funds at Port Blair.

No. 874, dated 24th June 1867.

" 1097, " 11th " "

I am directed to request that this packet may be added to the enclosures of my Report and marked Z.*
